## Stillwater - Fever Dog

Oh-oh-oh  
Fever dog  
Scratchin' at my back door  
I hear you howl  
But I don't listen no more

Got a feeling I could taste  
Every hair of the fever dog  
Come around again  
Well that would be the end  
Of the fever dog

Got to spit it out  
The taste of the hair  
Of the fever dog  
Come around again  
Well that would be the end  
Of the fever dog

Fever dog  
I take the dislikes today  
I'm not surprised  
Been beggin' now for two days
